

Pet Dental Consent Form

Pet's Name: _____

Owner Name: _____

I have read and signed an anesthesia consent form.
I understand that my dental costs today will be:

(Initial)

Dental and Anesthesia \$280 _____
Includes scaling, polishing, an oral exam and monitoring your pet during sedation.

Pre-Operative Bloodwork (agree/decline) _____
Bloodwork panel that assesses kidney & liver function and checks for possible infection or inflammation prior to sedation.

Pain Management (agree/decline) _____
Will be provided if needed during dental work.

OraVet In-House Treatment (agree/decline) \$30.00 _____
OraVet is a barrier sealant applied to pet's teeth after polishing to help maintain healthy teeth and prevent plaque accumulation for 2-3 weeks after cleaning.

Extractions:
\$8 per tooth for minor extractions with a maximum of \$64 _____
\$20 per tooth for major extractions _____
\$110 per tooth for surgical extractions (agree/call first) _____
